POP-UP SOURCING

LET US DO THE WORK FOR YOU.

Buyers do not have to miss the touch & feel aspect of fabric and apparel by simply sending your products. The Doneger Group, a NYC-based trend agency with over 50 years experience in key trends in lifestyle, fashion, color & fabrics, will curate an onsite “showroom” linking your company’s products to your virtual platform profile.

INCLUDES:

complete booth construction / company description signage / marketing & media support / 40 fabrics or 30 apparel pieces / virtual platform access / on-boarding and set-up support

VIRTUAL PLATFORM

JUST LIKE BEING THERE.

The online platform will serve as an alternative marketplace for global manufacturers to stay relevant in the industry. With guaranteed visitor recommendations, exhibitors have the opportunity to continuously connect & network with US buyers.

INCLUDES:

dedicated company page / AI-powered matchmaking personalized exhibitor page / 1:1 video calls / chat functionality / improved scheduling tool / meeting + team management tool / product listing / integrated live streaming

THE SHOW.

EDUCATIONAL PROGRAM

A complimentary seminar program, comprised of Textile Talks and the Lenzing Seminar Series, covers relevant industry topics such as trade, trend, sustainability and post-pandemic retail outlooks. With over 15 sessions, our educational programming is set to inspire, inform and prepare visitors for the ever-changing industry.

TEXWORLD SHOWCASE

A trend forum demonstrating patterns & colors for the AUTUMN/WINTER 2022/2023 season curated & designed by The Doneger Group.

RESOURCE ROW

A dedicated area where visitors can explore business development tools, recycling solutions, trend forecaster, textile education materials & more.

More than 86% of our buyers are interested in sustainability - a key priority for apparel companies. By 2025, many retailers aspire to source half of their products with sustainable components. Submit your certifications to be highlighted for practicing Environmental, Social, & Ethical standards.

One of the most sought-after options for 60% of our attendees - the Small Quantity supplier list offers startup & independent designers the opportunity to order starting at 50 running meters/pieces.

Local Sourcing features a group of North American production facilities, fabric & trim manufacturers, & tech-pack services, specializing in small quantities.
